"Reconnected my work and
Christian calling."

"Great speakers and good discussions."

Christians in business often feel unsupported at church and isolated at work. Work in business is part of God's purpose for the world he created, loves and is restoring.

Yet, like everything else, business is fallen and needs to be restored. So how does it need to change to better serve the kingdom of God?

Saturday 9th November 2019

9.30 for 10am - 4pm | £55 incl. lunch.

Bradford Cathedral,

1 Stott Hill, Bradford, BD1 4EH.

Easily accessible by train or car.

The **B**usiness and the Kingdom The **Big Picture**

Our fourth annual Business and the Kingdom conference will connect our business lives with the themes of Creation, Fall, Christ and the Kingdom. Business leaders will help us to see God's plan and the part we play through our different callings to serve him in business.

New for this year are **interactive workshops**, alongside talks, stalls and time to question, reflect and discuss, and to network over a good lunch and refreshments. Queries or discount requests to karenwilliamsleeds@gmail.com.
